

Villa Encantadora

Description:

Nestled on the majestic hillsides that surround the Bay of Hermosa in Guanacaste, Costa Rica, sits Villa Encantadora 'Charmer'. You will find yourself much more than charmed by this 4000 sq. ft. home. Villa Encantadora is beautifully decorated with 4 large bedrooms (one king, two queens, three singles (two with trundles), each with private bath. Sleeps 10-12.

The 4 spacious bedrooms, most with stunning views, are accompanied by the Villa's 4 beautifully tiled bathrooms. This 2 story home spaciously separates the sleeping quarters to allow its' inhabitants privacy.

The common living areas: living room, dining area, and kitchen view upon Hermosa Bay through a continuous wall of glass maximizing the glorious view of the Bay and Pacific Ocean. From the vistas of the living areas and bedrooms you will partake in sunsets that are simply nothing short of spectacular. Each evening Encantadora will beckon your return from your daily activities to once again capture Nature's magical display.

Music fills the Villa from an embedded stereo speaker system. Comfortable seating abounds in a grand expanse of luxurious space. High Speed Wireless internet is accessible throughout the Villa and grounds. TV, DVD, Internet and all the modern electronic conveniences can be found at the Villa.

Opulence abounds throughout the entire property.
